Closure Date: 05/07/2014

Notes: N/A

Student Arrangements: Rebecca Babel, Director of Financial Aid and Scholarships at Northern Illinois University, responded that the last date of instruction was May 7, 2014. Not all students completed their program. Several students are still active in the dissertation and research portion of the Ed.D track. Three students who began the cohort did not complete the course sequence. The program is offered at other locations and primary campuses within the region. In addition, the department faculty is committed to assisting students who began but did not complete the program cohort to complete the program and to do so in a manner that best serves the student. This may include scheduling courses on the main campus or assisting the student in joining a cohort at another location or campus.

All academic and/or financial aid records and transcripts are/were processed at the main campus and are stored in the primary student data systems and files at the main campus. Students at this location were served by the main campus for all administrative, enrollment, and financial aid functions using the same systems, policies, procedures, forms, and services as students enrolled at the main campus.

NIU maintains electronic academic and financial aid records in the PeopleSoft Student Information System and images documents and correspondence in the onBase Document Management System.

Address: 401 South State Street
Chicago, IL 60605

Closure Date: 09/25/2016

Notes: N/A

Student Arrangements: Leigh Brinson, Vice President for Financial Services, responded that the last date of instruction was 09/25/16. Not all students completed their program at the location. All students enrolled at this location took half their coursework in Bensenville and half at the nearby Arlington Heights location. The Arlington Heights site is 4.7 miles away and less than 15 minutes in rush hour traffic. All Bensenville courses have been relocated to the Arlington Heights site. Since all students currently take coursework at this location, this was not seen as an imposition. Students may take courses and utilize services at any of our locations, however. In addition, there is the Schaumburg location that is 8.5 miles from the current Bensenville site and less than 15 minutes away in rush hour traffic as well.

The academic and financial aid records/transcripts will be stored at the main campus in Chicago. Address:

Not all students completed their programs prior to the campus closures. All students met with academic officials and were provided a pathway to graduation at the West Jordan campus. Orem is located less than 30 miles from the fully operational main campus in West Jordan. At the end of Summer quarter, there were thirteen students that were transferred to the Broadview University - West Jordan campus. All of the remaining students had agreed to move to the West Jordan campus to complete the Veterinary Technology program.

All student records are maintained on a common student records management system, Campus Nexus, and managed by academic personnel at corporate offices located in Woodbury, Minnesota. A centrally employed registrar manages student records and will continue to be responsible for storing and providing access to academic and/or financial aid transcripts for all campuses, including locations that have ceased operations. All physical files were moved to the West Jordan campus.
